**First Annual Colorado Foundation for Conductive Education
Golf Tournament at Inverness Golf Club
Thursday, July 1, 2010**

CFCE is seeking your support and participation in their 1st annual Colorado Foundation for Conductive Education (CFCE) Golf Tournament. Proceeds from this event will benefit Conductive Education and the scholarship program for children with motor disabilities, such as Cerebral Palsy. CFCE is a 501(c)3 organization located in Loveland, Colorado.

Registration:
Individual - \$230
Foursome - \$920

Register and pay by April 1, 2010 and you will be automatically entered in a raffle to win a TaylorMade Burner Driver (\$300 value), a Ping "CFCE" logo golf shirt (\$70 value) and recognition at the awards ceremony. (Payment must be received by CFCE on or before 4/1/10 to receive early discount and entry into raffle drawing.)

To attend the reception, silent auction, and dinner only, beginning at 6:00pm, the cost is \$125pp. You are encouraged to invite your spouse or guest to the dinner and silent auction. Rooms are available for \$99 per night (plus tax & service fee). Call 303-799-5800 or visit invernesshotel.com to make hotel reservations. Mention CFCE to receive this discounted rate.

To help us properly plan for this event, **please pre-register** by mailing this form to: CFCE, 483 N. Denver Ave., Loveland, CO 80537 or register and pay online by credit card at www.conductiveed.com.

Proper golf attire (collared shirt, no denim) is required. Soft spikes only.

COLORADO FOUNDATION

FOR CONDUCTIVE EDUCATION

Colorado Foundation for Conductive Education (CFCE) is a 501(C)3 nonprofit organization incorporated on September 18, 2008. The facility is located at 483 N. Denver Avenue, Loveland, Colorado 80537. CFCE has a well equipped Conductive Education (CE) classroom, conductor-teachers, class assistants, volunteers and administrative staff. CFCE provides classes for children, teens and adults in an individual or group setting. CFCE is currently the only CE center operating in Colorado.

What Is Conductive Education?

Conductive Education (CE) is an educational program created to teach children and adults with motor disorders, such as but not limited to, Cerebral Palsy, Spina Bifida, Multiple Sclerosis, Parkinson's disease, stroke or head injury, spontaneous skills and problem solving tasks through an intensive multi-disciplinary approach to achieve an independent life. CE encompasses all the forms of traditional therapy, such as, speech, physical and occupational therapy and enables an individual with motor disabilities to become self-reliant in daily activities through active learning. By repetition of tasks and combining intentional movements with learning, the brain creates different paths for sending messages to the muscle groups and thus creates desired movements, like walking, standing, sitting and self feeding.
