2014 - CFCE Summer Camp Information

We are excited to share that we have started the planning for our 2014 summer camps. This summer, we are offering a four week camp in Denver and a four week camp in Loveland. All sessions will run Monday thru Friday from 9am – 2pm. The dates for each camp and the tuition rates are listed on the following registration form. We encourage all children to attend four weeks of camp, but understand that due to schedules and finances this may not work for everyone. For this reason, we have created a waiting list and will accommodate shorter sessions if possible based on staffing, number of children enrolled, etc, however, priority scheduling will be given to those who attend for the entire four weeks. **All ages are welcome.**

Please have a look at the following registration form and respond with your commitment as soon as possible to hold your child's place. If you would like further information about Conductive Education and what the camp will entail, please do not hesitate to contact Kirsten Tremelling at office@conductiveed.com, or 970-667-0348, for this information.

We need to know well in advance who is seriously interested in signing their child up for camp this summer so that we can arrange to hire Conductors and staff members for each camp to cover the number of children attending each four week camp. Please understand that hiring the Conductors needs to be done months in advance for us to handle their visa requirements, flight and hotel arrangements.

If you would like to sign up your child for camp, please fill in the registration form and return to CFCE either by fax (970-461-3472) or mail to: CFCE, 1760 Topaz Drive, Loveland CO 80537 by **February 28, 2014**. **You must also pay a non-refundable \$250 deposit by February 28, 2014 to secure your child's placement in the summer camp.** In April, you will receive an invoice for the remaining balance due. You can choose to pay in full or make installments, but the entire balance will be due **before** the first day of camp. Don't forget that camp deposits and tuitions can be paid with your credit card online at www.conductiveed.com. Places are limited, so please sign up **ASAP**. If a camp session is cancelled by CFCE due to lack of participation, your deposit will be refunded. This is the only circumstance for which a deposit refund will be given.

If you have any questions please contact Kirsten at office@conductiveed.com or call 970- 667-0348.

Please forward this form to any other children and families who you think would benefit from Conductive Education. We look forward to hearing from you.

Sincerely,

Kirsten Tremelling
Office Manager
